The human resource is the greatest asset of an organisation. In today’s competitive environment every company is looking for ways to enhance the quality of human capital so as to improve their productivity and ultimately boost the company’s bottom line. The aim is to have the foundation of TQP (Total Quality People) because effective organisations depend on effective people.

Continuous improvement in an employee mindset is the basic idea of excellence in an organisation. The ability to make improvements and to take learning and apply them must be built into our human capital. Continuous improvement also enables meaningful employee engagement – the business is never done growing, improving and learning, and employees are part of this process every day.

In this program you will learn the essentials of how employees can achieve excellence in a practical and applicable way.

### OBJECTIVES

The power packed session **In Pursuit Of Excellence** will enable the participants and their organisations to become winners in today’s competitive environment by developing the large resource of untapped human potential.

Participants will have gained an understanding of Excellence Principles and have worked through an initial application of the techniques in their organisation.

### CONTENTS

The In Pursuit of Excellence session incorporates the wisdom of the east with the latest trends from the west. It helps the participants adopt the V. E. S. T\(^{TM}\) of excellence in their professional lives by exploring, understanding, experiencing and implementing four important and fundamental factors:

- **Enthusiasm** - Discover the Power of a Positive Attitude and make Enthusiasm your Greatest Asset.
- **Stress Mastery** - Stress Reduces Efficiency. Learn some very Easy and Effective Techniques for Dissolving Stress and Energizing the Body & Mind.
- **Time Management** – Discover Important Tips on Managing Time.

### METHODOLOGY

The training is not focused on transfer of knowledge alone; it indeed augments overall growth and development of skills of a participant. The same is ensured by blending presentations with energizers, role plays, exercises, group activities and visual aids.

### WHO WILL BENEFIT

Middle & Senior Management, Unit Heads, HR Heads, all other Functional Heads and Entrepreneurs across the industries will benefit from the program.
